YEM – Official Announcement
8th September 2020

Dear YEM Holders,

Today, a very big step forward has been made in terms of the YEM's value creation and value enhancement.

The activation of [Swissdigitalfunds.com](https://www.swissdigitalfunds.com) with its application possibilities for the YEM brings an enormous increase in value and a whole new quality for YEM owners.

The YEM Foundation has therefore decided to increase the price range for the YEM to the range between USD 1.35 USD -1.55 USD.

The lower frame reflects the new minimum price, the upper frame the maximum price.

A consequence of the increase in value is that the previous YEM sales offers in [yemexchange.com](https://www.yemexchange.com) have to be deleted and re-offered by YEM owners.

The new starting value is set 0.05 USD below the upper frame, which equals 1.50 USD.

Be safe, healthy, successful, and happy.

Thank you!
