YEM – Official Announcement 04th January 2021

Dear YEM Holders,

We see a massive increase of transactions of YEM on the YEMExchange within the recent 7 days. Also, usability and acceptance have again increased.

With its different functions YEM is growingly appreciated.

The continuation of the appreciation of crypto currencies in general and the overall huge increase in their value during recent 7 days and recent weeks shows that they are perceived as precious values. People increasingly buy cryptocurrencies for many different reasons.

The YEM with its specific purpose is especially attractive for businesses because of its regulations by the non-profit regulatory authority.

Thus, the YEM Foundation decided to increase the price range for YEM by \$0.2500. The new Trading Range is now from \$2.5000 to \$2.7000 with the first trade starting at **\$2.6800** at YEM EXCHANGE.

Be safe, healthy, successful, and happy.

Thank you!

Your Board of Directors of the YEM Foundation

PS:

Please note that because of work being done on the YEMexchange today, the implementation of the increase can only be done tomorrow, on January 5th 2021 – or once the functions are available again.
